

CONGRATULATIONS

2012 SIEMENS STEM ACADEMY FELLOWS

Advancing U.S. Achievement in STEM

The Siemens Foundation and Discovery Education support districts in their efforts to foster student achievement in STEM — partnering educators with renowned scientists, policy makers and thought leaders to bring the magic of STEM learning alive.

Siemens Teachers as Researchers (STARs) Fellows

Fellows spend two immersive weeks at the U.S. Department of Energy's Oak Ridge National Laboratory or Pacific Northwest National Laboratory working on cutting-edge research projects with world class scientists and researchers.
