An appeals process will be available to schools from November 29 through December 13, 2012. Until the appeals process is complete this will remain a preliminary document. A school's "Official Star Rating" is the better of two consecutive years star ratings. For each school, annual star ratings (for year one and year two) are available on the Clark County School District Website.

These schools received a score of at least 65 on the School Performance Framework and met the Federal Government's Adequate Yearly Progress or AYP Watch targets.
