VTCTA students participate in Great Nevada ShakeOut drill

First responder students "Drop, Cover and Hold On"

LAS VEGAS - Veterans Tribute Career and Technical Academy (VTCTA) students participated in the Great Nevada ShakeOut earthquake drill. Students enrolled in VTCTA's Emergency Medical Technician (EMT) program demonstrated how to "Drop, Cover and Hold On" for protection in the event of an earthquake.

VTCTA is the only school of its kind in Nevada, specializing in preparing students for careers as first responders. Students graduate from VTCTA with the necessary skills to pursue careers in law enforcement, forensic science, corrections, emergency medical services, emergency dispatch and nursing, while fulfilling the necessary requirements to obtain a high school diploma.

Several VTCTA EMT students prepare to demonstrate life-saving techniques during the Great Nevada ShakeOut drill.

VTCTA students demonstrate the "Drop, Cover and Hold On" technique for earthquake safety.
