**LAS VEGAS** – Safety, academics and perception of school and district performance: these topics and many more are the focus of the 2015 Clark County School District (CCSD) Parent Survey, available online from April 20 - June 4, 2015, at [ccsd.net/district/surveys](http://ccsd.net/district/surveys). The 10-minute survey, available in English and Spanish, is completely confidential and part of Superintendent Pat Skorkowsky's efforts to engage the community on important issues facing children and their families.

"Improving parental engagement is one of the district's Pledge of Achievement success indicators," said Skorkowsky. "It is important to know what parents think and feel about their child's school and the district. CCSD staff are working hard to make improvements in all areas of education, and it is vital that we receive feedback from parents because parents are the child's first teachers."

There are also surveys designed for students and staff, as it is important to get a full representation of all individuals within the school district.

Survey feedback received by the district is used to improve schools and parent engagement for the purpose of boosting student achievement. As part of the district's efforts to maintain transparency with the community, survey results will be made available to the public this summer.

For parents and guardians who wish to participate, but do not have computer/Internet access, the following locations have computers available for public use:

- All CCSD schools
- CCSD Administrative Center, 5100 W. Sahara Ave., Las Vegas
- CCSD Instructional Design & Professional Learning Division, 3950 S. Pecos-McLeod, Las Vegas
- CCSD Edward A. Greer Education Center, 2832 E. Flamingo Rd., Las Vegas

To complete the survey, parents and guardians can visit [ccsd.net/district/surveys](http://ccsd.net/district/surveys) and enter their child's student/lunch ID number and birth date. This year's survey takes less than ten minutes to

complete and is accessible on tablets and smart phones. Every parent is invited to take a survey for each child enrolled in a CCSD school.

Parents and guardians may request a paper copy of the survey from their school. Any questions or concerns can be addressed by calling the Research Department at 702-799-1041, option 4.
