ECTA Education Program Students in FCCLA
Continue to Help Tom Williams Elementary School Students

At the beginning of the school year, students in East Tech's Education Program and who are also members of FCCLA (Family, Career, and Community Leaders of America) created a partnership with Tom Williams Elementary School. Tom Williams E.S. was selected as a Shania Twain Club school (<http://www.shaniakidscan.com/about-us>). Shania Twain's program called "Shania Kids Can" (SKC) aims to create tomorrow's leaders by providing extra support to students who need it today, which includes academic, nutritional, therapeutic and extra-curricular support. In February, the FCCLA officers and members visited the school and using their lesson plan, taught the SKC students how to recycle.
