Foothill High School Varsity Dance Team shows team spirit at national competition

Team dances their way to the top 10

LAS VEGAS – The Foothill High School Varsity Dance Team recently traveled to Orlando, Fla. and took the stage at the Walt Disney World Resort during the 2015 Universal Dance Association (UDA) National Dance Team and All Star Dance Championship on Jan. 30 through Feb. 1.

Competing against 50 teams from across the nation, Henderson's own displayed their high-energy choreography in the preliminary rounds and reached the finals of the Small Varsity Hip-Hop category, where they placed seventh. The team also reached the semi-finals of the Small Varsity Pom "Group C" category.

In order to qualify for the championship, dance teams had to previously submit a video, qualify at a UDA camp or qualify at a regional competition. Through hard work and dedication, Coach Lana Carey and Assistant Coach Ryan Bourque led Foothill High School's Varsity Dance Team and provided them with the structured training necessary to successfully compete on a national level.
