Sept. 29, 2014

Parents and guardians can access Infinite Campus beginning this week ***Largest interactive portal in Clark County to provide crucial services to parents***

LAS VEGAS – The Clark County School District (CCSD) will debut its Infinite Campus system for parents on Tuesday, Sept. 30. Infinite Campus is one of the largest interactive networks launched in Clark County, and with this massive launch, CCSD is applying measures in advance to ensure parents can utilize the system with minimal complications.

This week CCSD started mailing parent/guardian access codes. If parents do not receive a letter by Monday, Oct. 6, they should contact their child's school. For assistance with other items, the Infinite Campus call center will extend its hours from 6 a.m. to 8 p.m. and can be reached at 702-799-7678. In addition to the call center, parents and students may email portalsupport@interact.ccsd.net regarding any questions they may have. Every school will have an Infinite Campus liaison to assist with correcting information on a student's profile and any issues that may arise. To reset passwords, parents can click on the help button located on the Infinite Campus login Web page.

Infinite Campus will replace some functions of ParentLink, SASI and Easy Grade Pro. Parents are able to view real-time student attendance and grade information for all their children through one login credential. Unofficial transcripts will be available online. Infinite Campus is also accessible through the Web or through mobile applications on Apple and Android devices.
