WHO: Communities In Schools of Nevada is partnering with News 3, Lotus Broadcasting and Sam's Club to collect needed school supplies and uniforms to distribute to over 44,000 students in 43 schools statewide that CIS of Nevada serves.

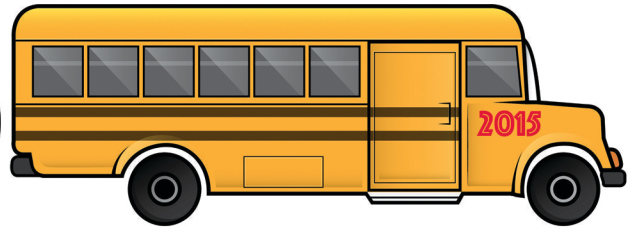

Last year we filled three school buses with backpacks, uniforms and school supplies for all ages. This year, we need to fill even more so students in need can start off the year prepared and ready for success.

CIS of Nevada is the local affiliate of the nation's leading dropout prevention program. We work on-site in schools to assess student's needs - from food, clothing and hygiene items, to mentoring and tutoring - and to make sure every student is empowered to stay in school and achieve in life. Your support, whether through donating money or supplies, or volunteering, is invaluable to students struggling with the many barriers to education caused by poverty.

HOW: Join us by hosting collection drives at your workplace or business through August 20th, and bring the collected items out August 21st.

Or stop by and purchase items to donate on site - and help us FILL THE BUS!
