2015 4-H SUMMER CAMP AT LAKE TAHOE

4-H membership is not required!

LAS VEGAS, Nev. - University of Nevada Cooperative Extension Southern Area's 4-H camp is being held at the Nevada State 4-H Camp at beautiful Lake Tahoe from July 26 - 31, 2015. Registration is open to campers between the ages of 9-15 until the camp is full.

This year's camp utilizes the 4-H Science, Technology, Engineering & Math (S.T.E.M.) program. During the six days, campers will participate in activities centering on nature, healthy lifestyles, robotics, Global Positioning Systems (GPS), rocketry, dramatic arts, leadership, creative arts, and much more.

Cost of the camp is \$380 and includes transportation, meals, T-shirt, and activities. If you would like your child to attend camp, please contact Karen Best at 702-257-5538 or bestk@unce.unr.edu. Discounts are available for early registration before May 30.

4-H is an organization that primarily focuses on positive youth development and is open to all youth ages 5 to 19. 4-H is a community of young people across America learning leadership, citizenship, life skills and technical skills through active participation in events, projects and community service. 4-H is the largest out-of-school youth organization in the United States with over 7 million members. There are over 49,000 young people engaged in 4-H programs across the state of Nevada. 4-H is delivered in many different settings including community and project clubs, military and 4-H afterschool programs; special interest groups; school enrichment; faith-based; camping and more.

University of Nevada Cooperative Extension is the College of the University of Nevada, Reno that is engaged in every Nevada county, presenting research-based knowledge to address critical community needs. It is a county-state-federal partnership providing practical education to people, businesses and communities. For more information on its programs, visit www.unce.unr.edu.

Founded in 1874 as Nevada's land-grant university, the University of Nevada, Reno ranks in the top tier of best national universities. With nearly 20,000 students, the University is driven to contribute a culture of student success, world-improving research and outreach that enhances communities and business. Part of the Nevada System of Higher Education, the University has the system's largest research program and is home to the state's medical school. Bringing outreach and education programs to all Nevada counties and home to one of the largest study-abroad consortiums, the University extends across the state and around the world. For more information, visit www.unr.edu.
