Outstanding CCSD teacher surprised with a brand new car

Findlay Chevrolet and Silver State Schools Credit Union reward a dedicated educator with a new vehicle

LAS VEGAS - Bonanza High School teacher Sarah Cuellar got the surprise of a lifetime on May 8 when Findlay Chevrolet and Silver State Schools Credit Union presented her with a brand new Chevrolet Sonic. The fun-filled giveaway took place on the Bonanza High School campus and was an exciting finale to Teacher Appreciation Week, during which Clark County School District (CCSD) teachers were recognized for their dedication and hard work.

Cuellar teaches mathematics at Bonanza and has worked there for 18 years. She also serves as chairperson of the school's math department. Described as devoted and selfless, Cuellar has touched the lives of her students and volunteers at the school in any way she can. Cuellar and her family had to sell their vehicle to pay for medical bills due to some family hardships. She has been carpooling with her colleagues for the past four years to get to work. Even through hardships, Cuellar has continued to prove that she is a dedicated and deserving teacher.

This is the second year CCSD and business partners have given a teacher a new car as part of Teacher Appreciation Week.
